WHALE OF A FISH TALE!

Photos by Zane Wiley

GONE FISHING: A summer tradition of fishing the lakes, bay and ocean is in full swing for Marin kids. At top, San Rafael resident Andrew Wallace, 11, shows his 6-pound, 13-ounce largemouth bass, caught at Lake Nicasio. The fish set the record for largest caught during the Z Experience fish camp. Above, Cameron Romanik, 9, stands by as New Rayann deckhand Chris Franks hefts the 31-pound salmon Cameron caught during a day on the ocean. For more fishing news, see Neils Johnson's Fish Wrap on page B6.
